

Concession Cards Accepted at BALC

We Care Carers Card

Carers who hold a Carers card are eligible for concession rates when visiting the centre to care/support someone or when visiting on their own.

If the carer would like to participate in an activity, they must pay the concession fee associated to that activity.

Companion Card

A carer is able to enter BALC free if they are accompanying a paying person they are caring for. This entry does not allow the support person to participate in any activity.

If the carer is **not** accompanying someone or would like to participate in an activity, they will be charged a concession rate for the service they are wishing to use.

Cards Eligible for Discounts

- Health Care Card
- Repatriation Health Card
- DVA Health Card
- Seniors Card
- Pensioner Concession Card
- Full Time Tertiary Student Card

Holders of the above cards are eligible for discounts off memberships and casual visits. Full Time Students must provide proof of study load if not indicated on the card to receive a discount.
